## “AMONG THE FLOWERS”

Ai Fiori, meaning Among the Flowers in Italian, is an exquisite, fine dining restaurant focusing on the cuisine of the European Riviera, from the Altamarea Group. Our menu celebrates modern interpretations of regional dishes from the Liguria and South of France. Ai Fiori features two private dining rooms that can be combined to create one large private room. In addition, our dining room offers several semi-private options, with a full wall of windows and completely enclosed with floor to ceiling curtains.

Whether your event is a business function or a personal celebration, Ai Fiori is the ideal place to host your group. We ensure a memorable experience is had by each and every guest.
